**INTERVIEW SUMMARY**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Examiner:

This paper is filed in response to the telephone interview of August 4, 2009.

Examiner Lin Liu and Applicant's representative Scott Thorpe held a telephone interview on August 4, 2009. We discussed the present invention and a proposed amendment. Applicant agreed to further limit the amendment by specifying that proximities are physical distances. We agreed that the proposed amendment seems to overcome the Pearson and Armentrout references.
